

Xavier's Feet

by Pamela Love ✨ Art by Jaime Kim

An illustration of a young boy with brown hair, wearing blue pajamas with yellow stars and red slippers, running through a house. He has a surprised expression. A small brown dog is running alongside him. In the background, there is a window with a bright sun and curtains, and three framed pictures on the wall.

Xavier's slippers go shuffle, shuffle in the house.
Xavier's shoes go patter, patter on the sidewalk.

Xavier's bare feet go splash, splash in the water.
