

# WON'T YOU BE MY FRANKENSTEIN?

by Neal Levin  
Art by Mark Rogalski

Your teeth are rotten to the core.  
Your swollen eyes are bloodshot red.  
Your skin is pale and tinted green.  
You lumber like the walking dead.  
Your hair is slicked with icky slime.  
Your fingernails look horrible.  
You smell like spoiled tuna fish.  
I think you are adorable.
