

# Ladybug, Muddle, & Thud

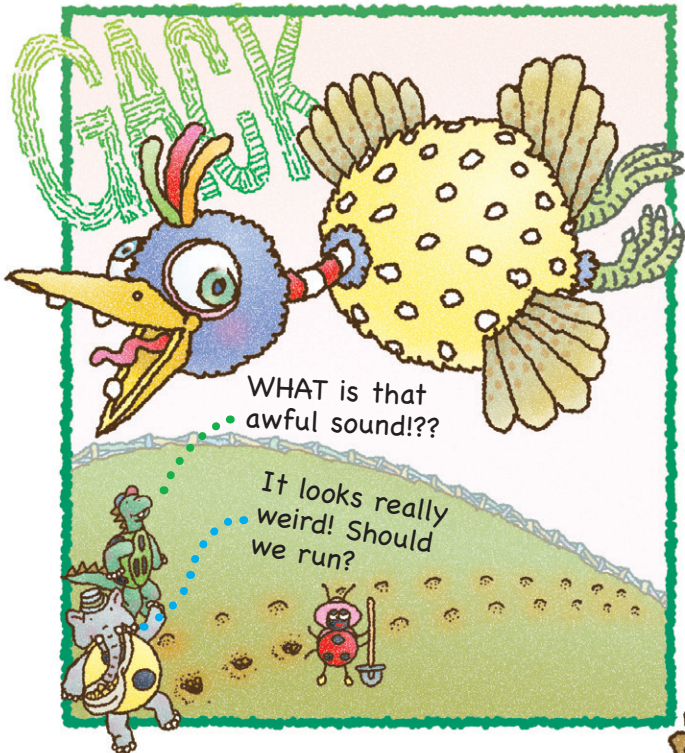

Planting a garden is SO much work.

Yes it is, Thud, but we get so many great vegetables.

Right! Oh, I LOVE brogoccoli!

GACK!

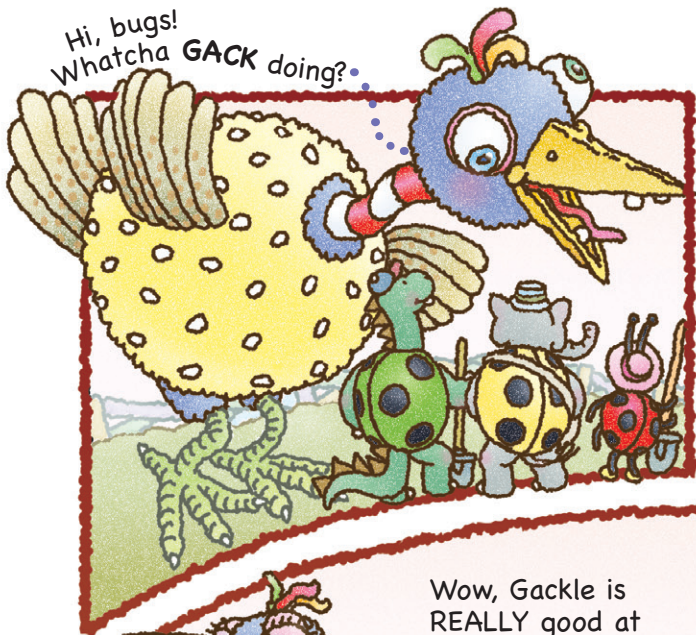

WHAT is that awful sound!??

It looks really weird! Should we run?

Don't be scared, fellers! That's my friend Gackle!

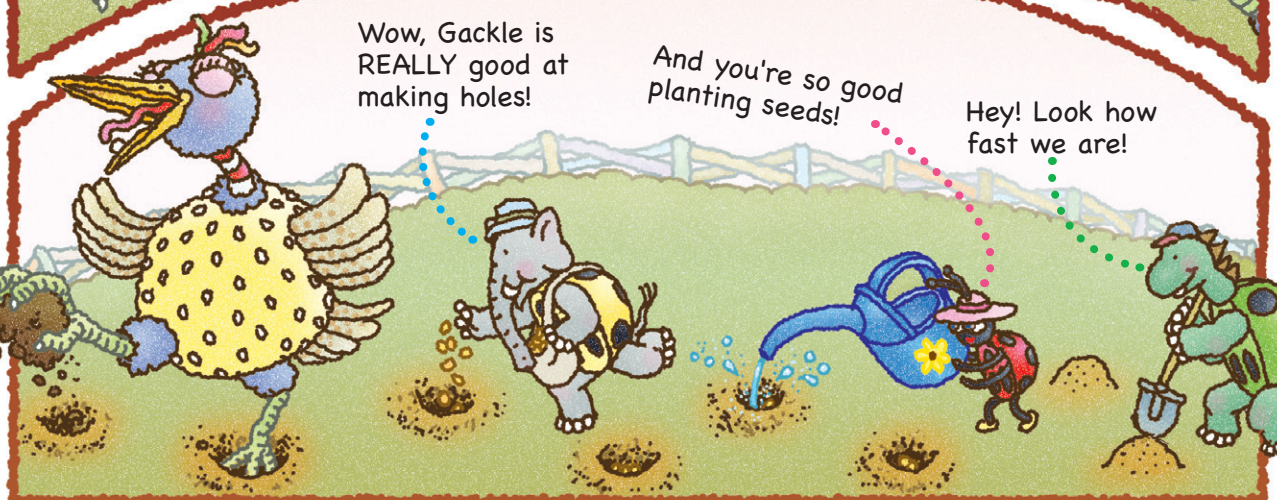

Hi, bugs!  
Whatcha **GACK** doing?

We're planting our garden!

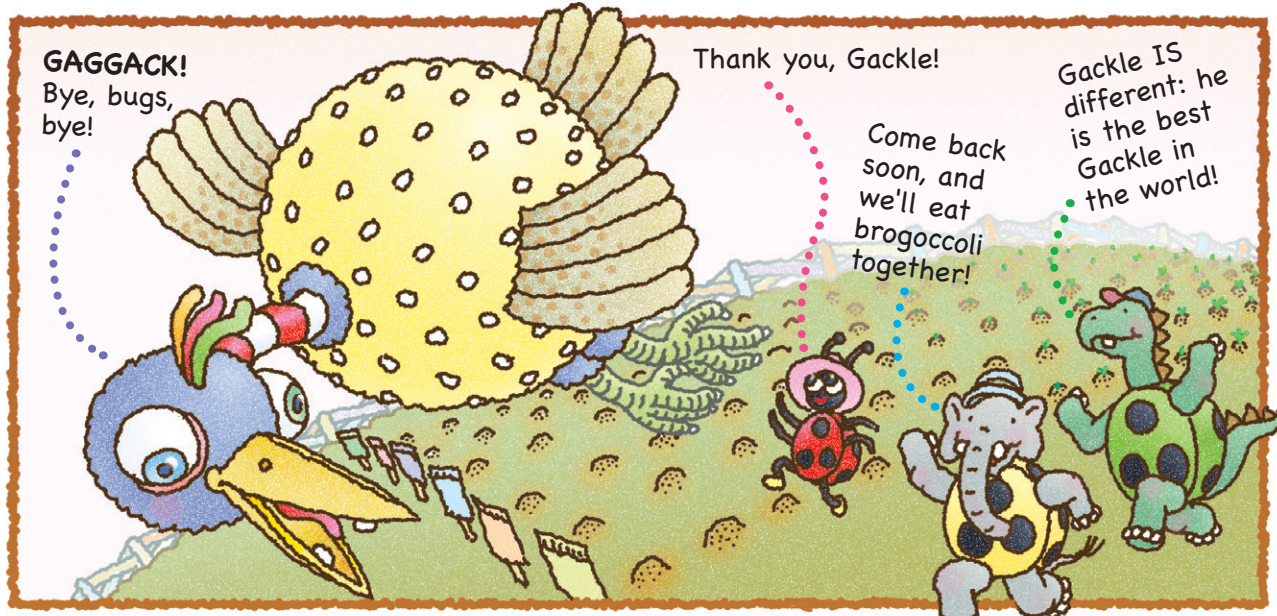

Ha!  
I can help you!

Wow, Gackle is REALLY good at making holes!

And you're so good planting seeds!

Hey! Look how fast we are!

**GAGGACK!**  
Bye, bugs, bye!

Thank you, Gackle!

Come back soon, and we'll eat brogoccoli together!

Gackle IS different: he is the best Gackle in the world!
