

Blueberry Yogurt Plopsicles!

Did someone say plopsicles??!

Ladybug, Muddle, & Thud

What are we going to do with all of these blueberries?

I have an idea—a blueperfect idea!

Ready? Let's mix up the yogurt, honey, and blueberries.

Haw! It's just like paddling a canoe!

Now let's pour it into paper cups. Easy does it, fellers.

I covered the top with foil. Thud, can you make a little cut?

You are great with a toothpick, Thud!

Now stick in the sticks!

Into the fridge they go! It will freeze 'em solid!

BRRrrr!

Brrr!

Chunk!

Clink!

WOOHOO!

Take off the foil and they are ready!
