# Smelly Stickers

OH MY! MR. SLURMBUCKET'S CABINET OF FOUL ODORS SENT ME SEARCHING FOR SOMETHING—ANYTHING!—THAT SMELLS GOOD. THANKFULLY, MY BINDER OF PLEASANT CRAFTS CONTAINED THIS RECIPE FOR DELIGHTFULLY FRUITY SCRATCH-AND-SNIFF STICKERS!

## WHAT YOU'LL NEED

SEVERAL PACKETS OF FLAVORED, UNSWEETENED DRINK MIX IN ASSORTED COLORS

MEASURING SPOONS

NEWSPAPER OR SCRAP PAPER

LARGE LABELS WITH ADHESIVE BACKS (LIKE SHIPPING LABELS)

CRAYONS

STYROFOAM EGG CARTON

PAINTBRUSHES AND STIRRERS, ONE PER COLOR

DRINK MIX EEZ CONCENTRATE.

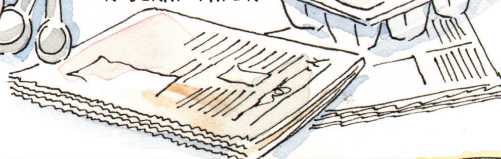

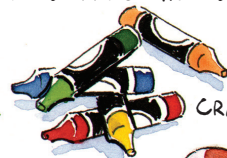

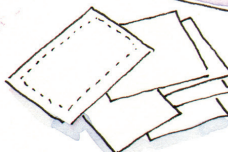

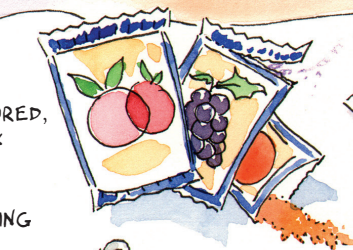

## WHAT TO DO

1. PLACE YOUR EGG CARTON ON TOP OF NEWSPAPER. FOR EACH COLOR, MIX 1/8 TEASPOON OF DRINK MIX WITH 1/8 TEASPOON OF WATER. STIR UNTIL EACH MIXTURE IS SMOOTH. (USE ONE STIRRER PER COLOR TO AVOID MIXING SCENTS OR COLORS.)

2. ON EACH LABEL, USE A CRAYON TO DRAW AN OUTLINE OF A PICTURE OR DESIGN YOU WANT TO PAINT. (WE CHOSE ORANGES, CHERRIES, AND PINEAPPLES TO MATCH OUR DRINK MIXES.) PRESS DOWN WHEN YOU DRAW TO MAKE THICK MARKS.

3. NOW PAINT YOUR PICTURES. (IT'S OK TO PAINT OVER THE CRAYON BECAUSE THE PAINT AND THE WAX FROM THE CRAYON DO NOT MIX.) LET YOUR ARTWORK DRY OVERNIGHT.

4. WHEN YOUR STICKERS ARE COMPLETELY DRY, CUT THEM OUT WITH SCISSORS, THEN SCRATCH AND SNIFF!

VERY CHERRY, THISTLE!

LOVE,  
OPHELIA
