

CLUBHOUSE

Whoa! I could TOTALLY live like a wild raccoon!

Are you sure about this?

He won't last a day!

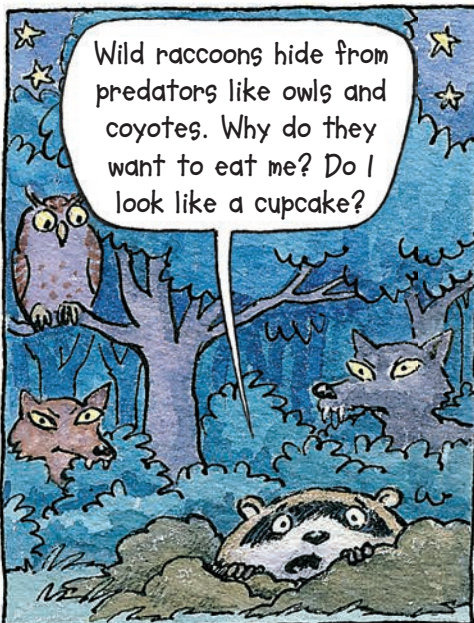

Farewell civilization!

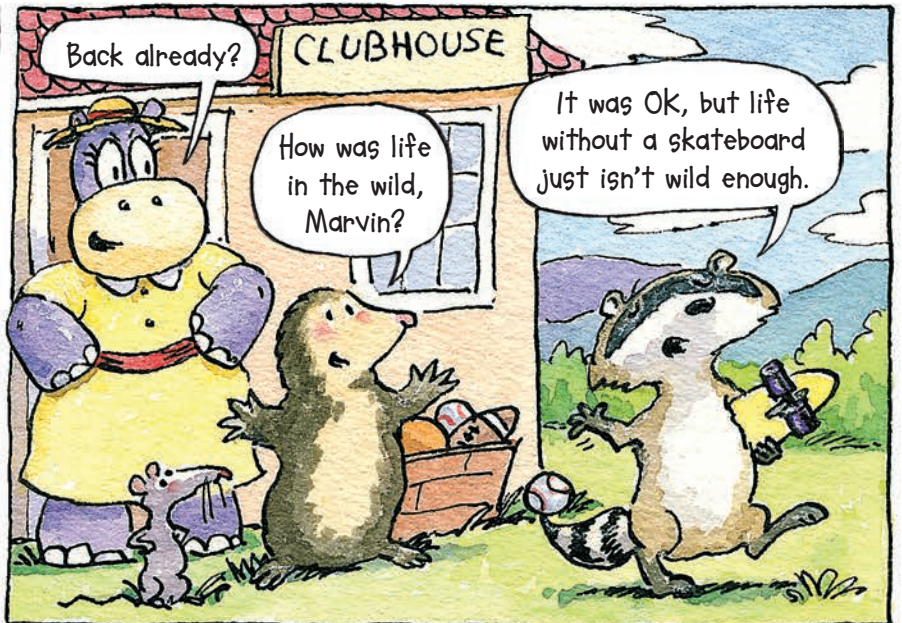

Wild raccoons eat plants and berries . . . Yuck! Needs ketchup.

Wild raccoons dig burrows for shelter . . . with their bare hands?

Wild raccoons hide from predators like owls and coyotes. Why do they want to eat me? Do I look like a cupcake?

Back already?

How was life in the wild, Marvin?

It was OK, but life without a skateboard just isn't wild enough.
