

Cartoon Connection with EBENEZER & The COLONEL

by KE Lewis

This attempt to take QUEBEC could prove to be the DECISIVE BATTLE of the **FRENCH and INDIAN WAR!!**

COURAGE, MEN! While some of our army is creating a DISTRACTION over yonder, the rest of us will row across the river in SECRET and sneak up the cliff to get to the city...

We HAVE to get past that SCOUT... What we need is someone who SPEAKS FRENCH!

I thought you LIKED SNEAKY ADVENTURES!

NOT if I have to be the SNEAKY ONE! Besides, even if I DO speak FRENCH I still LOOK like a CROW!!

My friend here is VERY GOOD with LANGUAGES...

SAY WHAT!?

THAT we can FIX.

Oh, NO-LOOK! The FRENCH have posted a LOOKOUT!

If he SEES us, we're DONE FOR!

I LOVE SNEAKY ADVENTURES!

ARRÊTEZ! Qui est la?! (HALT! Who's there?)

C'est Nous! Les FRANÇAIS! (It's US-The FRENCH!)

Bien! Montez! (OK! Come up!)

Sacre Bleu! (My Goodness!)

OK MEN! QUIETLY NOW! We want it to be a SURPRISE...

KA-BONK!

Say... I LIKE Being TALL! We should do this MORE OFTEN!

NOT until you (ughnn!) Stop EATING So Much!
